Dr.Saba and her staff are always excellent. Everyone is very friendly. My appointment was a same day emergency. They fit me in perfectly and on time. The office is very clean and updated. Dr.Saba kept me informed of what was going on during the entire time in the chair. No pain whatsoever. I have recommended Springfield Healthy Smile to everyone whenever "dentists" come up in conversations.

My first visit to Dr. Saba, and my impressions are entirely positive. I expect to be a patient with Springfield Healthy Smile a long time. The staff is welcoming, and

certainly contribute to a feeling of increased comfort. Dr. Saba is friendly, and clearly knows her stuff. She seems to be quite conservative in her treatment, preferring to do work only necessary for a healthy and comfortable mouth. I appreciate that!

Who knew having to go to the dentist to get a crown done could be a pleasant experience? Well, as pleasant as getting a crown could possibly be, I didn't feel a thing. Most people dread going to the dentist, even for routine cleanings, but not me. Dr. Saba and her team make it a positive experience, every time. They are fantastic!!!

My visits are always pleasant. Dr. Saba is always concerned and takes steps to ensure comfort and as pain-free as possible. She always suggests further treatments or alternative options. She is truly concerned and sincere. I have been through many dentists and she is the only one I have ever liked and returned to. My whole family likes her too. The email reminders for appointments are very helpful. It's also nice to get email notices for any discounts offered. The office staff are also very helpful; accomodating schedules, making suggestions, offering helpful information, and taking the time to review insurance coverage for upcoming treatments.
